### Brief Description

Les Tourelles is a 19th century manor house which now forms part of a small complex along with three other chalet style buildings. This property offers good quality accommodation and superb study and recreational facilities for school groups. Les Tourelles is set in its own grounds - an obvious advantage for supervision purposes. The centre directly overlooks the beach too.

### Location

The centre is located in the small coastal village of Asnelles which is 2 kilometres east of Arromanches. Principally an agricultural and fishing village, Asnelles attracts a small number of tourists due to its pleasant seaside location and its excellent beach.
