### Brief Description

This is a low rise, modern hotel that has been purpose-built for school groups. The original block was fully renovated in summer 2009 and the newer block built at the same time. Both blocks are adjacent to the Hotel Flanders Lodge and all share the same management as the Oude Abdij.

### Location

The hotel is located in a commercial zone on the outskirts of Ypres, approximately 1-mile from the town centre. There are good road connections.
