

In our classroom we say...

"I want to learn how to do this"

instead of

"I can't do this"

"I'll get better at this"

instead of

"I'm no good at this"

"I like to be challenged"

instead of

"This is too hard"

"How can I improve?"

instead of

"I'll never get any better"

"I am learning from my mistakes"

instead of

"I keep getting it wrong"

"Let me try a different way"

instead of

"I give up"

*In our classroom we are positive, confident, inspired,
encouraging, optimistic and hard working.*
