

Visit the TRIUMPH MOTORCYCLE FACTORY

Hinckley, UK

We are a global company with dealers in countries such as **Thailand, Brazil, India, USA, Europe** etc, but our main base is our factory in **Hinckley**.

We have **750+ dealers worldwide** and this is still growing!

We offer factory tours through our **Factory Visitor Experience**, and off-road training in Wales at our **Triumph Adventure Academy**.

Born in 1902, Triumph Motorcycles is the **largest UK-owned motorcycle manufacturer**.

Bought in 1983 by John Bloor, **Triumph was reborn in 1990**.

We go through a design process of **concept, detailed engineering, testing** and then **production**.

Our bikes have featured in films such as; **The Great Escape, Mission Impossible, The Hitman's Bodyguard** and **The James Bond hit No Time to Die**.

We set the benchmark in the 3 biggest categories in the world; **Modern Classics, Adventure** and **Performance Street** as well as making the largest production engine – the **Rocket III**.

We are the official supplier of **Moto2 engines**.
