

UNCOVER A WORLD OF TECHNICAL CAREERS

There are thousands of fascinating and exciting technical careers to discover.

'I work in the Pathology department at Royal London Hospital and every day is different. I could be analysing blood samples one day and maintaining laboratory equipment the next.'

MAHMOODA
HEALTHCARE LAB TECHNICIAN
NHS

'It's exhilarating working to fix a problem 100 metres in the air and knowing that with every wind turbine we fix, we're helping the planet.'

IAN
WIND TURBINE TECHNICIAN
ØRSTED

DID YOU KNOW?

A technician is someone who applies practical knowledge and skills to positively impact the world. They play a vital role in many workplaces, in dozens of industries.
