WICKED

ABOUT WICKED

Was the Wicked Witch of the West really wicked or the innocent victim of a corrupt regime? WICKED is an ingenious re-imagining of a classic story, prepare to discover a parallel universe to the land of Oz.

The award-winning stage musical goes beyond the famous Yellow Brick Road and places familiar characters in a completely original story that serves as both a prequel and a sequel to 'The Wizard of Oz'. WICKED tells the untold story of an unlikely but profound friendship between two sorcery students and how their extraordinary adventures in Oz will ultimately see them fulfil their destinies as *Glinda The Good* and the *Wicked Witch of the West*.

Thinking of a character of their choice, ask a partner to hold a pose. As a class, discuss the following:

- Where is their eyeline?
- Where is their centre of gravity?
- Do they stand tall or bent?
- Is their weight on one side of their body or another
- Which parts of their bodies are tense, and which are not?
 - How are they holding their head?
 - How far apart are their feet?
